ORIGIN 25X1X6

> 1. Almost all of the thirty-three factories in Hairan have been stripped by taking-over officials, local inhabitants, and Chinese National forces. The equipment has been shipped by junks to Peihei (Pakhoi)(109-05, 21-24) where merchants gather to obtain the equipment. 25X1X6

saw over 2,000 large rolls of telephone wire and various types of 25X1X6 machinery and spare parts on sale on the Peihai market. that because the Chinose authorities cannot recover the equipment to operate the factories, they must obtain new machinery before the factories can operate again.
